## Competitions

Our competition season is about to start this month and will continue until Nationals to be held in October. Please see the following timetable

<b>Otago Invitational</b>	<b>Sun, 17 May</b>	<b>Dunedin</b>
<b>Otago Champs</b>	<b>Sat/Sun 20/21 June</b>	<b>Dunedin</b>
<b>Canterbury Champs</b>	<b>Sat/Sun 11/12 July</b>	<b>Christchurch</b>
<b>South Island Champs</b>	<b>Sat/Sun 8/9 August</b>	<b>Dunedin</b>

Parent support is necessary at competitions and greatly appreciated. There is a variety of jobs that help competitions to run smoothly, some of these jobs include setting up the night before, managing the door, announcing and music. We break the jobs into small time slots, and with the support of everyone doing a little, it makes the competition weekends more enjoyable for everyone.

As the competitions will begin shortly, the gymnast's/parents will receive an email, for details to be completed for entry, the competition fee is to be paid within the week of completing entry details. Accommodation – payment for this is to be paid the week your accommodation is confirmed.

**Uniforms** – when your daughter is at an event as part of the GGI Rhythmic Club full uniform is to be worn. Should you require a uniform, please contact Megan Taiaroa ph: 4882691 or 0274355093 email: megantaiaroa@gmail.com

## Fundraising Events for 2014

The fundraising allows the committee to keep costs to a minimum and help support our gymnasts & families to attend out of town competitions. Other area the fundraising will support is the purchasing of new equipment for the junior level and recreational gymnasts and the purchase of a portable PA system for use at the gym and other community events.

The committee tries to have at least 1 fundraising event each term. These events are a great opportunity to meet and mix with other parent, caregivers and families.

### Term 1 & 2- Fundraisers

We have had a great start to this years fundraising with the "Bacon and Eggs" fundraiser, orders are collected by Nicole Bloem each Tuesday, with orders picked up at gym on the Thursday, cash on delivery. **Thank you to Nicole and your family for offering this opportunity to our club**

I would like to thank the team of helpers that supported our **Cheese Roll** fundraiser, both with orders and the making and packaging.

**Rockbourne Gallery** – This fundraiser was a great night out and we received fantastic feedback by those that came out on a cold night. We were pampered by Andrea Reid-Wilson (Massage Therapist), Tracy Hooper (Lavish Beauty), Noeline Thomson (Nutrimetics), Miss Winona Baines (Freelance Makeup Artist) at the gracious 1906 residence that is home to Rockbourne Gallery. I would like to thank Rockbourne Gallery and the team for organising and supporting our club with this fundraiser.

**Catering for the Piping and Highland Dancing National Champs** being held in Dunedin Queens Birthday weekend 30 & 31 May 2015– This will be coming up soon it is a 2 day event and we would like to put a roster together , we will need your support to make this another successful event, a committee member will be contacting families looking for support. All help is greatly appreciated.

We try to vary the fundraising opportunities and here are some of the other ideas we are exploring for the future:

ECO Store – Soaps

Annies - Fruit Leather

Cadbury Carpark – Saturday Farmers Market

We would welcome other ideas, feel free to contact a committee member with your **ideas**.

**CONGRATULATIONS** to Ella Hjertquist for her successful trial and being named in the New Zealand Rhythmic Gymnastics Team for 2015 to compete at the Australian Nationals. We would like to wish you all the best for the Australian Nationals.

Thank you to our gymnasts and families for your support

Regards
