

Greater Green Island Rhythmic
Gymnastics Club

Term 4 Classes, 2017

Beginning: Tuesday October 24th

(Week 2)

Dear Parents

What a busy term we have had. It has been great to watch how much all the girls have improved during the competition season. Well done.

Next week we have 7 of our senior gymnasts heading to Auckland for the New Zealand Aerobic and Rhythmic National Championships.

Congratulations to all the gymnasts who are competing.

Lauren – Level 9

Caitlin - Level 7

Sofia A – Level 7

Jessica, Georgia B, Ruby C, Ruby M, Caitlin and Sofia A – Grade 5 Group

We wish you all the best at Nationals girls.

Term 4

Classes start back on Week 2 of Term 4, this is to give our coaches and senior gymnasts time to recover after Nationals.

We are having our fundraising dinner at La Porchetta in Week 1 of Term 4. Tuesday 17th October, this is a great night out for the gymnasts as well as parents.

Please come along and support our club.

The last date to purchase tickets is on Thursday 28th September.

Term 4 Classes: There are some big changes in Term 4. Please take note of the new class times. Those that have competed at competitions this year will notice they have been moved up to the next level.

All gymnasts must be picked up from inside the gym. No gymnast is allowed to leave the gym unattended. This is to make sure are our gymnasts are kept safe.

Curtains: The new curtains are to be installed during Week 1 next term. We are really looking forward to having those up.

Door: There are still some issues with the keypad on the main door not working. The Council are still working on this.

Training times: Please let your coaches know if you are going to be late or unable to make training, it interferes with the running of classes if the coaches don't know what is happening.

Training attire: Girls need to be prepared for training with drink bottles and all hair tight off their face. Tight clothing is needed in order for coaches to be able to evaluate body position.

Closed training: As stated in our club handbook that is given out with all registrations; *"At GGI we have a closed training policy for all competitive athletes which means that spectating is prohibited unless otherwise arranged with your daughter's coach. This is aligned with other dance institutions and has been implemented in the best interest of your child. We aim to keep distractions for them and the coaches to a minimum and it is important to keep the focus on training and listening to the coach. We will offer opportunities at the conclusion of each term and at competitions to watch the girls. Our expectations of closed training is that parents do not sit in on classes. You may enter the stands 10min before class finishing. Girls should also pack up quickly and leave the training area so the following classes can continue in a closed manner. Social discussions after class should be out the back or downstairs."*

Coaches are always happy to help and answer any questions and provide guidance however, please do save these discussions for after training or contact us via email.

Photoshoot: Date to be confirmed

Closing Day: The date for our Closing Day this year is Sunday 10th December. More details to follow.

Thank you for your cooperation with these matters.

Stay up to date with GGI online at www.ggirhythmic.co.nz

Gymnastically Yours,

GGI Coaching Team & Committee
