Finally a reminder as we come into the summer months that **girls must be collected by an adult from UPSTAIRS, they are NOT to leave the building without an adult**, even if it is light outside. This has always been a policy at GGI however with a number of people new to the club I would like to clarify that children are not allowed to wait down stairs unsupervised. Coaches always accompany the girls downstairs if necessary but once class finishes a lot of coaches go on to take another class or train themselves and cannot be responsible, we are more than happy for your child to wait in the stands should they have to wait for someone in another class to finish or you need to collect them later but please instruct your daughter to stay in the stands, in sight of the other classes that are underway and talk to their coach. Thank you.

Once more I would like to thank you all for your support of your daughters and their coaches throughout the year, I look forward to another enjoyable term and as always please feel free to contact your coach or myself if you have any questions.

Gymnastically Yours,

Kendall King ☺
